CLUB NEWS

GARAGE SALE. Friday and Saturday, May 27 and 28 is the date set for the PSGS garage sale, according to Linnie Griffin, Ways and Means Chairman. The sale will be held at 20 Judy Lane which is located 2 miles south of downtown Belfair on Highway 3. Judy Lane is on the right as you go toward Shelton, and is well marked. All members are asked to donate household items, collectibles, hobby materials, books, tools---anything that sells at a garage sale. Linnie's telephone number is 275-3770. Please be generous as this is an important fund raiser for the club. Anyone interested in helping should contact Linnie.

1988 SEMINAR. Club members recently voted to hold a seminar this fall. The Everton organization, an outstanding genealogical group from Utah, will present the program entitled "Climbing Your Family Tree Can Be Fun." Club officers are now waiting to hear from Everton to set a date.

NEW POLICY ON FILMS. The club recently voted to allow check out of locality index microfilms on an individual basis.

NEW GENEALOGICAL CENTER IN SILVERDALE. The Silverdale Family History Center was opened recently in connection with the local LDS church. The center is located at 9256 Nels Nelson Rd. NW. The facility is a loan-and-use center for holdings of the Utah Genealogical Library in Salt Lake City.

The microfiche collection includes: International Genealogical Index (IGI); Accelerated Index System (AIS); 1841-1881 Censuses of England, Wales, Isle of Man and Channel Islands; Register of Towns Indexed by Streets of England and Wales; Genealogical Library Catalog; and Index to the Sutro Library of California.

CORRECTION ON MARRIAGE RECORDS. On page 67 of the November 1987 issue of Family Backtracking, the marriage of Henry Geisel and Bertha A. Anderson was listed. A question mark was used for the first name of the bride's mother. Delcie Rothenberg of Seattle, whose great-grandmother Bertha Anderson was, informs us that the bride's mother's name was Elizabeth Gertrude Wackenbarth. Thanks to Delcie for filling in this valuable piece of missing information.

GERMAN OR NORWEGIAN ROOTS? A book on the Dietenhausen area in Germany is in the possession of Frances Jeffers (871-7049). She also has information on the Norwegians of the Aurland area of Norway who settled in Decorah, Iowa.

SEMINAR IN VANCOUVER. Dr. George K. Schweitzer, renowned genealogist and author of numerous genealogical books, will be featured at a seminar on Saturday, March 26, 1988 in Vancouver, Wash. Location is the First Congregational Church at 1220 NE 68th St., Vancouver. Hours will be 9 a.m. to 4 p.m.

Dr. Schweitzer will be speaking on Civil War Genealogy, Southeastern United States (with emphasis on Tennessee, North Carolina and Kentucky), and Tracing Your Ancestors Back Across the Atlantic. Registration by March 12 will cost $17. Send check to Shirley Rask, 1912 "E" Street, Vancouver WA 98663. Make check payable to Clark County Genealogical Society.

OTHER SEMINARS. Arlene Eakle will speak at a seminar in Yakima April 15-16. For information, check at PSGS library.

MILLIE KIRK ADDRESSES PSGS MEETING. Millie Kirk, who is one of the "treasures" at the Kitsap County Library on Sylvan Way in Bremerton, addressed the club at the January meeting. Millie has a store of reference materials on her desk that is probably one of a kind. She has been making the collection for years, and is always glad to help.

COATS OF ARMS. Coats of arms were given to an individual, not a family, according to Myra Gormley writing in the Seattle P-I. Actually few Americans are entitled to claim a coat of arms, she adds, because it involves tracing the family back to the individual to whom the coat of arms was granted. She warns against any group offering to furnish you with a "family" coat of arms.

OUR FOREMOTHERS. A study was made of frontier women by Constance B. Schulz. The study was limited to women who were married in Virginia and moved to the frontier after the Revolution. Statistics were gathered from their widows pension applications. The following data was obtained:

Average age at marriage was 19 to 20 years.
First child was born in the first year of marriage.
Average age at birth of first child was 21 years.
Average age at birth of last child was 41 years.
Averge number of children born was 9.

(From Paradise CA Gen. Soc. bulletin)

QUERIES:

Need information on Jennie H. HARRIS, born 1849 Wales. Married Lacock. Lived Pittsburgh PA 1903-1908. Her father William H. HARRIS, sister Sarah. Need to know mother's name, place of death and date of both Jennie and her mother.

RAFFLE WINNERS. Kathleen Landram won the Thriftway gift certificate at the club raffle in January. Winner of the dinner for two was Jackie Horton, and Nellie Johnson won the floral arrangement.

NEWS FROM THE FEDERATION OF GENEALOGICAL SOCIETIES

SEATTLE ARCHIVES. Additions to the Sandpoint archives collection include Attorneys and Marshals Records (Record Group 118) for Alaska, Idaho, Oregon and Washington. Naturalization Records for Walla Walla and Yakima, 1903-1961 (Record Group 21). Spokane is indexed for 1906-1947.

ILLINOIS RECORDS PROJECT. A new Illinois law provides for microfilming of birth records 50 years and older on file in the State Office of Vital Records. The law stipulated the filming was to be done at no cost to the state. A camera operator from the LDS church is now at work on the project. It is expected it will take more than two and a half years to complete. The Illinois State Genealogical Society will hold the films.

FAMILY ASSOCIATION NEWS. The FGS Newsletter presents a column on Family Associations in each issue. Christine Rose gives helpful tips on forming a family association, collecting data, reunions etc. (These newsletters are on file in the PSGS library).

SOCIAL SECURITY APPLICATIONS. A statement was issued by the acting archivist of the United States denying a charge by the American Research Bureau that the Social Security Administration was planning to destroy original applications and computerize the information, reducing identifying questions from 16 to five. He added that the SSA now microfilms original applications. However the Federation newsletter adds that some states are considering condensing vital statistics in like manner.

CZECH OBITUARIES. The Western Fraternal Life Association, to which many Czech people belonged, has carried obituaries on members since 1890. These records are on microfilm and are available on interlibrary loan from the Wisconsin Historical Library in Madison WI or the Nebraska Historical Library in Lincoln NE.

GERMAN LUTHERAN GENEALOGICAL INFORMATION. The Concordia Historical Institute, 801 DeMun St., St. Louis MO 63105 is asking for copies of Lutheran family histories. They have much information dealing with the waves of Lutherans who immigrated from Germany starting in 1839, but would like more data.

AGRICULTURAL CENSUS. Information from the 1850 County Agricultural Census is available from the Champaign Co. Genealogical Society, 201 Race St., Urbana IL 61801.

NEW KANSAS LAW. Researchers can now access vital statistics records created before 1 July 1911 in the State of Kansas. The State Archives can grant direct access to interested persons. For records filed after the cutoff date, the Dept. of Health and Environment will send copies only to individuals who have a "direct interest in the matter recorded" and need the information "for the determination of personal and property rights." Records of births, deaths, marriages between 1886 and 1911 were kept under lock and key since an attorny general's opinion three years ago held that only relatives attempting to determine these rights could get access to the information.

RAILROAD RETIREMENT BOARD. Anyone having a Social Security number of 700-728 worked at one time for the railroad, and as such, will be listed in RRB files. The railroad retirement pension was set up at the same time as Social Security (1937) and railroaders received their own special numerical prefix. Write RRB, 844 Rush St., Chicago IL 60611.

NEW EDITION OF IGI. The Family History Library in Salt Lake City has announced that a new edition of the IGI is projected for release during 1988. The new IGI will contain 30 million names.

MAINE ANCESTORS. A surname index containing data on more than 200,000 persons living in Maine from 1650 on is located at the Maine State Library, Augusta ME 04333. The information came chiefly from cemetery records, Bibles and family research. About 70 towns in Maine are involved, and there are 109 rolls in the collection. The collection is called "Delayed Returns for Births, Deaths and Marriages 1670-1891." (Probably available on inter-library loan).

NEW ARCHIVIST. Don W. Wilson was sworn in as seventh Archivist of the United States on Friday, December 4, 1987.

SIGNIFICANT DATE. When researching 19th century newspapers, be aware of the date April 1. Every year, April 1 was the customary date for moving. Deeds are frequently dated March 31, April 1 or April 2. Spring was universally regarded as the time for changing residence or selling the farm. A Bucks County PA newspaper on 29 Mary 1879 lists 51 removals in one town, and 40 elsewhere. In some cases, destinations of removals were designated.

PROTESTANT MINISTERS. One major source is William B. Sprague's Annals of the American Pulpit, a nine-volume set listing Protestant ministers who died before 1856. All major Protestant denominations are included.

OHIO LAND PATENTS. The Auditor of the State of Ohio, PO Box 1140, Columbus OH 43216-1140 will search the records for notices of Ohio land patents issued by the federal government. If such a record is found, a copy may be obtained from Bureau of Land Management, Eastern States Office, 350 S. Pickett St., Alexandria VA 22304.

ENGLISH CENSUS RESEARCH. The Centre for English Census Research will search census returns for 1851, 1861, 1871, 1881 in all counties of England and Wales. Send SASE to Research Director, Center for Census Research, 3912 S. 2520 West, West Valley City UT 84119.

DID YOU KNOW--
That "stepmothers" were sometimes called "mothers-in-law" in colonial days?

That "cousins" could be relatives of any type--sometimes even friends?

That "Jr" after a name did not necessarily mean one's father was of the same name---it might be an uncle or an older cousin who shared the same name?

That the word "housekeeper" once meant property owner and could be used for a male, as well as a female?

That an "inmate" as used in the Pennsylvania archives, refers to a man living in the home of another person---not necessarily in an institution?

That "freeman" in the PA archives means a young man, not yet married?

That "domestic" once meant the housewife, and not necessarily the servant?

That "Mister" was used only for men of wealth and/or education?

That a retired man might be listed as "gentleman"?
(Copied from Clark Co. WA Trailbreakers who copied it from MD Gen. Soc. bulletin)

GENEALOGY POX!!
Symptoms: Continued complaint as to need for names, dates and places. Patient has blank expression, is sometimes deaf to spouse and children. Has no taste for work of any kind, except feverishly looking through records at libraries and court houses. Has compulsions to write letters. Swears at mailman when he does not leave mail. Frequents strange places such as cemeteries, ruins and remote desolate areas.

Makes secret phone calls at night, hides phone bills from spouse and mumbles to self. Has strange faraway look in eyes.

NO KNOWN CURE!!

Treatment: Medication is useless. Disease is not fatal but gets progressively worse. Patient should attend genealogy workshops, subscribe to genealogical magazines and be given a quiet corner in the house where he or she can be alone.
