BOOK REVIEW

New at the Kitsap Regional Library:

Genealogical Register of Plymouth Families, by William T. Davis, Genealogical Publishing Co., Inc., 1975, 363 pp. Originally published as Part II of Ancient Landmarks of Plymouth in 1899, this work has no index, but it is in alphabetical order for major surnames. Shelves in the reference room--R929.1097.

Shorey's Book Store in Seattle stocks a booklet which might interest "natives" of this area: Supplement to "The Port Orchard Independent"--Kitsap County Business Review of 1901. This illustrated booklet covers early days in Kitsap County, Bremerton, Port Blakely, Port Gamble, Pleasant Beach, Poulsbo, etc. The price is \$4.50.

From Heritage House, Rt. 1, Box 211, Thomson, Illinois 61285:

OHIO MARRIAGES Extracted from the Old Northwest Genealogical Quarterly, edited by M. Smith, 1975, 354 pp., \$15.00. "The Old Northwest" Genealogical Quarterly was published from 1898 through 1912. The marriages in the resulting 15 volumes have been extracted and arranged alphabetically under the grooms' surnames and the brides' maiden names in this single volume. Dates and places of the marriages are given, as well as the names of the persons performing the ceremonies. The book is hardbound and 8½ x 11 in size.

From The Reprint Company, P. O. Box 5401, Spartanburg, SC 29304:

Military Annals of Mississippi, J. C. Rietti, compiler; 1976; 244 pp.; \$15.00; Indexed. This reprint edition has a complete name index and contains brief historical sketches and rolls and rosters of military organizations in the service of the Confederacy from the state of Mississippi.

* * *

Has your Revolutionary War ancestor still got you stumped? The Seattle Public Library has more than 150 books which are especially useful in genealogical research for that time period--not all of them are in the part of the library designated as the "Genealogical Section"--don't forget to check the main card catalog!

If you have not used the collection at the Seattle Public Library, some of the basic works you might want to check are:

Daughters of the American Revolution (D.A.R.) Patriot Index--R929 D265D
Daughters of Founders and Patriots of America Lineage Books--R929 D2648L
Daughters of the American Revolution Lineage Books--R929 D265L (1 - 166)
(An index to these books is shelved under R929 D265Li)
Soldiers and Patriots of the American Revolution (compiled from Baptist periodicals at Franklin College, N.J.)--R973.34 H3355
Soldiers and Sailors of France in the American War for Independence--R973.3 M547S
Muster and Pay Rolls of the War of the Revolution 1775-1783--R973.34 N4208M
(See volumes 47 and 48. This work includes Canadian troops.)
Biographical Sketches of Loyalists of the American Revolution--RB.0 Sa13
A National Register of the Society of S.A.R. (Sons of the American Revolution)--R369.13 So59X (Indexed shelved under R369.13 So59Xa).

This list doesn't even scratch the surface--there are 6 volumes dealing with Revolutionary War pensions alone. Books are available on more than half of the States--including Washington. In a future "Book Review", I'll cover some of these.

CLUB CORNER

Some of our members have taken, or plan to take, genealogy trips this summer. Both Tony Kienzle and Mark Hester have gone to Germany. Rose Mary O'Brien is traveling for 6 weeks through several states, among them Iowa, Minnesota and Wisconsin. Charles and Dorothy Martell will be gone 2 months, their main interest being Pennsylvania. Sharon Streitt and Carol Neumann went to Salt Lake City spending most of their time at THE library. Roseann Mitchell enjoyed a few days in Arkansas meeting her father's family for the first time. We hope these people, and any others who have been traveling, will share with us their adventures at our annual Show & Tell evening in November.

Our club has received several "help" letters from persons asking our assistance in researching. So that we can better accomodate these requests, we are creating a "Locality File" of our membership. Your help is needed, please. Will each of you submit a list of the states you are working in, the counties and also the time periods? Many, many thanks. More details will be available at our meetings.

Another new idea will be announced at our August workshop. All of our 58 members will be asked to complete a pedigree (ancestral) chart starting with yourself and continuing as far as you want, or can, (just one sheet or several). Please use any format you wish, making sure it will fit in an 8 X 11 folder as these will be a part of our library. This will also be discussed in length at our meetings.

The By-Laws which we adopted at our May meeting have been included in the folder "Olympic Genealogical Society, Minute Book". This folder is on our library shelves; please be sure you have read these By-Laws.

After several trips to the Post Office our President DJ has convinced them that we are eligible for the "library rate" when mailing our bulletins. Thanks for your persistance.

Another way to cut down on costs will be implemented in November. We will hand out our bulletins at the November, February, May and August meetings. If you are not in attendance, they will be mailed to you the following day.

A Tupperware Party is in the planning stages, sometime during October. The date and time will be announced later. We hope to have order blanks and books available next month.

This will be an excellent opportunity to fatten our treasury. And an award will be presented to the person who brings in the most "outside" orders.

QUIPS

A woman was trying to impress her friends at a party one afternoon.

"My family's ancestry is very old," she said. "It dates back to the days of King John of England." Then, turning to a woman sitting nearby she said condescendingly, "How old is your family, my dear?"

"Well," replied the woman with a smile, "I can't really say. All of our family records were lost in the Flood."

Stephen Vincent Benet said: "There were human beings aboard the Mayflower, not merely ancestors."
