RESOURCE FILE

Member Madge Norton has a cemetery record book from Jo Daviess County, Illinois (Menominee, Woodbine, and Elizabeth Townships). She volunteers to check it for anyone interested in that area. Phone 876-3980.

PSGS STREET FAIR

The PSGS Street Fair is being held on Fern Avenue in front of Fay Welsch's home. The fair will be held on June 6th and 7th from 10 a.m. to ????. Fay's address is 5929 Fern Avenue in Illahee. The Ways and Means Committee decided to try the street fair location instead of a garage sale in order to reach more customers. Your donations can be left at three different locations: Marlys Marrs' at 4430 Pine Avenue NE (library); Ron Hertlein's at 1616 Perry Avenue; and later, at Fay Welsch's at 5929 Fern Avenue in Illahee. Any one who wishes to help on this project can call Ron Hertlein at 377-4095 and tell him which day and what time you will be available. Funds raised by this project will be used for the library, for books and better equipment.

FISKE CONTINUING PROBLEM SOLVING SEMINARS

Due to the problem of last minute cancellations and the length of time between first and second consultations taken by some members, the board has decided some guidelines are necessary. The fee of \$10.00 for the two consultations is to be paid at the time of sign-up. The two consultations are to be completed within three sessions. All second consultations carried over from last year must be completed by July.

NORTH KITSAP CHAPTER NEWS

NK Chapter offered beginning genealogy classes in January. Twenty-five people attended the sessions, and many were able also to join four subsequent field trips: to the Federal Archives and Records Center at Sand Point, to the Seattle Public Library, to Mr. Arthur Fiske's Genealogical Center, and to the Seattle Genealogical Society Library. At the February meeting of the chapter, the speaker was Mr. Arthur Fiske who discussed naming patterns. At the March meeting, another prominent member of the Seattle Genealogical Society, Rosemary Boyle, spoke. Her topic, Canadian research, was very informative, and Rosemary impressed us greatly with the wealth of knowledge she has acquired while doing research in Canada.
