HELP!!!

At the September meeting, a letter was read from May Rowlands of San Jose, California. One of the members at that meeting thought she knew the family involved and took the letter. We failed to get either the name of the person who took the letter or to whom she was going to give the letter! Would that individual please give us the letter or information concerning its disposal so that we can close our file???? Thank you.

A NEW RESOURCE, WITH YOUR HELP

We are building a new resource - a surname index comprised of Family Group Sheets (FGS). Notebooks with FGS's placed alphabetically by the top surname will enable you to compare locales, dates, and ages as well as similarities of given names. The extensive data on a Family Group Sheet permits you to make minute comparisons, calculate possibilities, and contact the contributing researcher.

You may help compile this index by contributing copies of your Family Group Sheets - all at once or a few at a time. A checkmark in the lower left corner of your sheet will help you keep track of which sheets are already filed with us.

Members may leave copies in the appropriately marked box on our library shelf or mail to: Surname Index, PSGS, P.O. Box 2146, Sheridan Park Station, Bremerton, WA 98310, or give to committee chairman, Marian Turgeon. If you wish additional information, call 692-6529. Keep the Family Group Sheet Index growing by adding two or three of your sheets each meeting or library visit!

COMMITTEE OPENINGS: Besides the library committee, assistance is needed in the following spots of our group - Special Projects does not have a chairperson as yet. This important committee coordinates cemetery records, the court house records, and other projects the club is working on. We also need someone to schedule and work on Mr. Fiske's seminars. Anyone interested in helping with either of these jobs, call Jackie Horton at 692-2480.

North Carolina Land Grants in Tennessee, 1778-1791. by G. F. Burgner.

214 pages including index. This book contains 5,486 land grants issued by the State of North Carolina in the new State of Tennessee. The counties in which this land fell were: Davidson, Greene, Hawkins, Sullivan, Sumner, Tennessee, Washington and the Eastern, Middle and Western Districts. Early records of Tennessee are scarce. Census schedules for 1790 of the Western Territory (Tennessee) were burned, so too were the 1800, and all but one county for 1810. This list of land owners and/or settlers constitutes the only substitute for a 1790 census of the part of North Carolina which became Tennessee in 1796. TN 6

35,000 Tennessee Marriage Records & Bonds. Silas E. Lucas, Jr., Editor.

3 VOLUMES. These marriage bonds taken from almost every county in Tennessee between the period 1783 down to about 1870 have until this publication only been available in the card file at the Tennessee State Library and Archives in Nashville. They contain the date the Marriage Bond was issued, the name of the bride and groom, the security, county in which the Bond was issued (which was generally the county of residence of either the bride or groom or both). These records can be a starting place for locating county of residence for your lines. TN 7 a,b,c

FEDERATION OF GENEALOGICAL SOCIETIES - REPORT

1982 FEDERATION OF GENEALOGICAL SOCIETIES OFFICERS

The following officers were elected at the 1981 FGS Symposium and 6th Annual Meeting: President: David S. Vogels, Jr.; Vice President: Wayne T. Morris; Vice President: Myrtelle W. Molyneaux; Vice President: Maxine P. Inman; Treasurer: Leland R. Adams; Recording Secretary: Rabbi Malcolm H. Stern; Secretary: Scharlott Blevins.

At the same meeting, FGS unanimously adopted a Resolution to support the Archives Independence Bill (S1421) and to reduce the proposed budget cuts. (See information to follow in this report.)

NATIONAL ARCHIVES INTERLIBRARY LOAN PROGRAM CUTOFF

The National Archives has announced the service of the interlibrary loan program of film has been CUT OFF effective December 10, 1981. At last report, the Archives was exploring the possibility of finding a private firm to handle the loan program. When asked "Why is the Archives eliminating the program before asking patrons to financially help by paying for the service?", James Moore, Assistant Archivist of the U.S., replied, "It is more of a philosophical thing. The Archives has never charged for reference service (only for copies) and, at this time, are not prepared to do so."

An attempt through Senate Bill S1421 to separate the National Archives from GSA is being supported by the National Genealogical Society, the Federation of Genealogical Societies, and many other organizations.

WE NEED YOUR HELP!!!! Please write to your Senators and Representatives and ask them to support this bill. (FGS Newsletter 12/81)

1910 FEDERAL CENSUS

In response to a query regarding the status of the 1910 Federal Census, James Moore, Assistant Archivist of the U.S., replied "The duplicate negative has been made. We are trying to get film from suppliers for duplicating and anticipate it will be available by mid-summer." (FGS Newsletter 12/81)
