We have two very important dates to remember and we need the entire club's help at this time. One is the nomination and the other the election of officers. Please do some soul searching and see how you can help PSGS in the coming years. As you know, our by-laws state you may serve only 2 consecutive years, and this means a whole new slate of officers. Please

contact me if you would be interested in taking office. We also want to thank Mary Penland on taking over as the editor of our Backtracking Quarterly. She was a volunteer who came forward to offer her help. Mary is well qualified for this job and I am sure we will see many changes in our quarterly. At this time I would like to thank Ruth Manning for being editor of our Backtracking for 4 years and doing a great job.

MISSING LIBRARY BOOKS. The following seven books are missing from the Club Library. As some of them are out of print, they cannot be replaced.

Parish Maps of the Counties of England and Wales.

The Genealogical Helper.

Genealogical Sources in the Washington Archives

Green County, Iowa Early Marriages, 1854-1880

The Trusty Generations of Two Brothers, by Jesse B. Trusty.

Highland County, Virginia Genealogies: Blagg and Bodken, by Oren F. Morton

Maryland 1800 Census Index, Accelerated Indexing Systems

As a result of these losses, librarians will be asking to see the contents of briefcases and large envelopes when library users leave the premises.

FALL SEMINARS FOR 1985: The membership will be asked to consider holding the annual Seminar in the fall instead of spring in 1985. Due to the fact that our seminar conflicts with so many other spring seminars, the Board feels it would be wise to change to a different time of year.

FEDERATION OF GENEALOGICAL SOCIETIES NEWS

OHIO HOUSE BILL 319 PASSES. This bill would raise the cost of birth/death records to \$5 each and any probate record to \$10 each. For further information call Toll Free 1-800-282-0253. Hopefully this is not the sign of a trend across the country. It could be very costly to researchers and individuals.

MICROFICHE OF 1910 CENSUS STREET INDEX AVAILABLE. The Federation has accumulated enough funds through National Archives Gift Fund to complete the first project of microfilming. On the 50 fiche of this microfilm publication are reproduced an index to city street and census enumeration for 39 cities in the 1910 Federal population census. The records produced in this publication are part of the Records of the Bureau of the Census, Record Group 29. See pages 26 and 27 of the May/June Federation Newsletter for list of cities involved.

GERMAN EMIGRANTS FROM HESSEN-KASSEL. Virginia Reynolds, 2617 N. Ridgway Ave., Chicago, IL 60647 reports that Hessisches Staatsarchiv Marburg is compiling names and personal data of all emigrants from Hessen-Kassel between Jan. 1, 1840-Dec. 31, 1866 by computer. The archives advised that some of the information may not be available until 1987. A book will be issued on the subject at that time.

BRITISH SOCIETY OF GENEALOGISTS MOVING. Effective Aug. 1, 1984 the society will move to new headquarters at 14 Charterhouse Buildings, London EC1M 7BA. The new location is about 3/4 mile due north from St. Paul's Cathedral, about halfway between the Guildhall Library and St. Paul's "tube" or bus station.

NEW YORK COUNTY GUIDES COMPLETED. New York Historical Resources Center at Cornell University is offering County Guides for 37 New York counties and preparing guides for four more. These guides differ in price from \$4 to \$11 each, and there are three volumes for Monroe County and two for Erie County. See Federation newsletter for complete listing. The address of the center is 506 Olin Library, Cornell University, Ithaca, NY 14853.

DID YOU KNOW THAT---? The term "infant" need not refer to a baby. In legal documents the word may refer to anyone not of legal age. "Thus an infant may actually be several feet tall and weigh many pounds," says Dr. Carl Weatherbee.
