

April 23, 2025: Peggy Clemens Lauritzen: Dark as A Dungeon:  
Researching Mining Records.

This is the real 'Minecraft'. As the song goes, it truly was "dark as a dungeon" in just about any mine. Fortunately, there are records that may have been kept on your mining ancestors. Mining is hard work. Starting from the children that worked in mines up to the adults of today, mining records may provide a clue to your ancestors' lives.
